

SOUTHERN OREGON TATTOO ACADEMY

PATHWAY TO PAYMENT

It is common for those who qualify to enter into a payment agreement with Southern Oregon Tattoo Academy on the same date that they complete the Enrollment Process.

Regardless of how much the student has paid before the beginning of the term, the following schedule applies to all students as the minimum acceptable payment schedule:

- A total of \$2,000 (Deposit/Student Kit cost) must be paid no later than thirty days before the start of the student's enrolled term begins. *If payment is not made by this date, the student will be dropped from the class.*
- An additional \$2,500 must be paid no later than the first day of the second week of class, for a total of \$4,500 paid. It is considered late on the third day of the second week of class. *If payment is not made by this date, the student may be dropped from the class.*
- An additional \$2,500 is due by the first day of the 6th week of class, for a total of \$7,000 paid. It is considered late on the third day of the sixth week of class. *If payment is not made by this date, the student may be dropped from the class.*
- An additional \$2,500 is due by the first day of the 10th week of class, for a total of \$9,500 paid. It is considered late on the third day of the sixth week of class. *If payment is not made by this date, the student may be dropped from the class.*
- A final payment of \$2500 is due by the first day of the 14th week of class, for a total of \$12,000 paid. Failure to pay, or a late final payment, will result in a student not being able to take the final exam until the balance is paid in full.

Payments may be paid in person in cash, by check, or by credit or debit card.
